## Discover the Wonder of Christ

*And the Word became flesh and lived among us, and we have seen his glory, the glory as of the father's only Son, full of grace and truth. John 1:14*

This season often brings increased activity as we prepare for the celebration of the birth of Christ. Despite the continual demands on our time, we approach this period with anticipation and joy. We await the occasion with anticipation and hope for its significance in our lives.

We each prepare for the arrival of Christ in our own ways. On Sunday mornings, we come together as a community to worship and experience the Advent story through the lighting of the Advent wreath. By doing so, we build a welcoming space for the infant child to enter our lives. Hearing God's Word is essential for all of us, especially now when the world often emphasizes Individualism and the secular aspects of Christmas. During this season, it can be difficult to find time to pause, reflect, and notice how God is at work in your life.

We encourage you to consider reading our Advent devotional, \*A Grand Miracle\*, which draws inspiration from the works of C.S. Lewis. Recognizing the significance of the Incarnation, C.S. Lewis described it as "a Grand Miracle." This daily devotional provides an opportunity for thoughtful reflection throughout the Advent season.

As we enter the weeks of anticipation and preparation for celebrating Christ's birth, I wish you and your family abundant blessings during the Christmas season.

Blessings,  
Pastor Jennifer

## Treasurer's Update

We have paid all the bills presented in October 2025 and the checking account ended the month at \$35,966. The increase was because \$15,000 from the Endowment Fund was deposited.

Envelope Giving from January to October was \$62,485. The monthly giving in October was \$5,953. Keep up the good work faithful givers. Facility Use provided an additional \$3,730 in October.

While the financial reports show the last full month of activity, they help the Finance Committee guide the church's finances. Between monthly reports, Kim, the bookkeeper, provides a weekly update of the checking account balance to ensure we are covering our checks.

# President's Message

## As One Door Closes! Another Opens!

As we arrive on the doorstep of 2026, we will begin a new adventure in the life of Good Shepherd. In my December letter of 2024, I asked God for direction and help to guide our newly elected call committee's search for a new door that would give us hope for a brighter 2025. That door opened on November 22, 2025, as we installed Pastor Jennifer to be our guide in ministry. She is young, smart, and eager to help Good Shepherd grow, her energy and enthusiasm is welcome, needed and I hope contagious.

We have endured our first year without Good Shepherd Pre-School and closing that door was not easy. We are looking into future possibilities to fill the empty classrooms. I know God has a plan for them, but he has not told us, yet what that will be. So we just have to have faith. We look forward to the possibility of being the home base for a craft and Food Fair beginning in December. This gift will not only bring needed and welcome revenue, but it will also bring people to Good Shepherd giving us the opportunity to invite them to visit and worship. I do believe God is opening another door, but it will take some volunteers to help it be successful.

As predicted our political situation has been rocky and has resulted in much unrest and conflict. Inflation has put a strain on most of us and the future looks kind of scary. Doors have opened and closed in our personal lives as well, this brings both happy and sad times for many of us. In these times we just have to hope for the best, let go and let God take over.

As we say good-bye to 2025 and move forward to 2026, I pray for all new doors and possibilities that will open for Good Shepherd. With the help of the church council and the gifts Pastor Jennifer brings, will give us the faith and courage to walk through them. My prayers go to all who are sick, homeless and in need of God's blessings. Give us the strength to get through the difficult times ahead and provide help where and when it is needed and we are able. Yes! keep looking for new doors to open, they will always be there but, not always easy to find or open. So have faith, be kind and love one another as he has loved us.

"Great faith is often built during great trials" \*Our Daily Bread

Happy Holidays to all, Jessie DeVito

## Property Update

Killian and Marv took the Preschool sign down that was on the parking strip facing Crescent, painted the poles and a new sign will be replaced by Quantum free of charge. Killian replaced 3 toilet seats in the Women's bathrooms inside the Sanctuary and Foster Hall and Marv replaced another electrical outlet near the kitchen. Killian also replaced the carpet savers on the bottom of one of the green chairs in the Narthex and helped take down the vertical blinds and bookcase in Pastor's Office.

Sharon moved the trash barrels that are being used by Minni's Market and put them inside the shed that is located between the breezeway by Room 1 of the Preschool building and Conference Room B. Linda has been helping us by turning the sprinklers on for 10 minutes in the back of the Church building and the plants and lawn are starting to look green again. Thank you, Linda.

Trunk or Treat was well received by the surrounding neighborhood. The kids enjoyed the jump house and thank you to everyone who decorated their cars for Halloween and to Joselyn and Killian for helping at the event. Pastor has been busy contacting a flooring company to replace the floor in the Choir area of the Church and fixing up her office.

Charlie and Fausto continue to replace sprinkler heads and Pastor bought covers for the sprinkler outlets so they will be protected when Minni's Market has their next craft fair. Sharon and Jessie changed the messaging on the Church sign and Sharon continues to prune roses and clean the campus. Thank you, Joanne, for cleaning the campus on Sunday mornings.

Sharon Castellaw, Property Chair
